The screenshot shows a user profile for 'Test Karen' with 0 followers and 2 following. The 'My Recordings' tab is selected. Under 'Programs', there are two collections: '2025 Live Masterclass Collection' and '2024 NLP Conference Collection'. Both have a 'View Program' link. An arrow points from the 'View Program' link of the 2024 collection to the next section.

Choose the current collection so you can watch live.

As the collections are quite large, you may need to refresh the screen at this point, to nudge the page to load.

All the Masterclasses are listed in date order (eg 02/25 = February 2025). Before a Masterclass has taken place, it will have 1 step, which is the zoom link.

Click on this step and then click on the zoom link on the right side of the page to join the live presentation

The screenshot shows the '2025 Live Masterclass Collection' overview page. The left sidebar lists steps: Overview, Introduction (0/0 steps), Creation Cycle (0/1 steps), and Zoom Link - Sat 8th Feb 09:00 (GMT). The 'Zoom Link' step is circled in green. The main content area shows an 'Introduction' section with a graphic for '2025 COLLECTION Live Access & Recordings' and a list of instructions.
